

## Notice of land acquisition by Beijing Continent Pharmaceutical Co., Ltd.

**August 14, 2020** - We would like to inform you that our consolidated subsidiary, Beijing Continent Pharmaceutical Co., Ltd. (hereinafter referred to as BC), has acquired the land in Hebei Province (approximately 13,000 square meters) adjacent to the current factory.

The land acquired by BC is the construction site located next to the current factory. This is for our future business expansion.

There will be no impact on the consolidated financial results for the fiscal year ending December 31, 2020.
